Course Grade: Each exam will constitute 25% of the total course grade. The letter grade is determined as follows: 90 – 100 = A, 87 – 89 = B+, 80 – 86 = B, 77 – 79 = C+, 70 – 76 = C, 67 – 69 = D+, 60 – 66 = D, 0 – 59 = F.  

Homework Policy: Homework exercises are assigned for every section of the book that is covered, but they are not collected and therefore do not directly influence the course grade. However, to have any realistic prospect of succeeding in the course it is essential to do the exercises, since all of the exams are based upon them. Half of lecture time will be devoted to working out exercises that students have questions about.  

Attendance Policy: Attendance is not mandatory, but it comes highly recommended. In my experience those who do not show up tend to wash out.  

Withdrawal Policy: If you need to withdraw, be sure to make it official with the administration to avoid receiving an F on your transcript. The deadline is November 6, 2012.  

Other Policies: Cell phones and other internet-capable devices are not allowed during exams. See the college catalog for the policy regarding cheating and plagiarism. There is no extra credit—ever. I only check voice-mail when I’m in the office, and strongly discourage its use in favor of e-mail. Use of MyMathLab is not required!  

In compliance with the Bucks County Community College policy and equal access laws, appropriate academic accommodations can be made for students eligible for such support.
